

# INVENTION VOCABULARY

**Goal:** Students will build vocabulary skills by defining the meaning of unknown vocabulary words

**Activity:** Invention Vocabulary

**Extension Activity:** Write a Realistic Fiction Story about an Invention

**Materials:** Invention Vocabulary Worksheet, "Have You Thanked an Inventor Today?" picture book, Dictionary

**DIRECTIONS:** Using a dictionary, students will write the vocabulary words in alphabetical order then define them. After defining the vocabulary words, students should write a realistic fiction story about an invention that they can create that will possibly solve a problem. Students should include at least 5 of the vocabulary words in their story.

**COMMON CORE STANDARDS:** 2.ELAR14, 2.ELAW2, 2.ELAW8, 2.ELAL1, 2.ELAL2, 2.ELAL3, 2.ELAL4E

# Extension Activity: STORYTIME!

**Directions:** On a separate piece of paper, write a realistic fiction story about an invention that you'd like to create. The invention should make life easier by solving a problem. Be sure to include at least 5 of the new vocabulary words that you just defined in your story.
